

## COVID-19 MESSAGE

Our model homes and sales offices currently are open by private appointment only.

We remain available online and via phone at each sales office to answer questions about our neighborhoods and homes.

As this situation is evolving, we will continue to follow the updates and protocols recommended by the CDC, our local Departments of Public Health, and the World Health Organization to protect the health and safety of our residents, guests and team members.

We believe our mission of creating Homes Built for a Lifetime is more important than ever. Thank you for your patience and trust.
